

PERSPEX® FLUORESCENT

Subtle transparent tints with an exciting fluorescent edge

Part of the innovative range of Perspex® from Lucite® solutions, Perspex® Fluorescent combines a delicate transparent tint sheet with a striking fluorescent edge which adds a contemporary touch to point of sale designs and displays.

Superb features

- ▣ Subtle transparent tints
- ▣ Striking fluorescent edge
- ▣ Exciting contemporary colours
- ▣ Superb cutting and fabrication
- ▣ Excellent aesthetics
- ▣ Ideal for in store displays, POS, furnishings and shelving

In retail display every inch of floor space is precious and POP displays have to have something extra to attract attention. Perspex® Fluorescent offers designers a range of exciting new colours with a vivid fluorescent edge effect that will make any design stand out from the crowd.

The Perspex® Fluorescent adds a new dimension to interior signs and POS displays.

PERSPEX®
FROM LUCITE®

LUCITE®
The source of inspiration

Perspex® and Lucite® are registered Trade Marks of the Lucite International Group of Companies. We recommend Perspex® Fluorescent for indoor application only. Colours will fade over time with exposure to strong UV light. Samples are as photograph representation and may not accurately show transmitted colours.
